## OPERATIONAL READINESS

1. This section should be an accurate reflection of the Ships current CRR Status, which should be updated by the Unit Data Information Officer on the [NFR website](http://armor.halifax.mil.ca/CRRStatus.aspx) (<http://armor.halifax.mil.ca/CRRStatus.aspx>):
  - a. In the table click on your ship's name to open your unit summary (*example below*).
  - b. If your Unit summary is correct indicate that the ORM is correct under this section of the report.
  - c. If your Unit summary is incorrect create a similar spreadsheet to report your accurate CRR status and take corrective action with NFR OPI to update your information on the website and report the accuracy before completion of SRT.
